Last December, Frances hit 70 and the family gathered at Blue Ginger to celebrate.
At this event our grandchildren had a few things to say to their Granny.

This was another good year for the family. But sadly it saw John's Uncle Eddie and Aunty Barbara pass away. Eddie Binks, Ivy's brother had been ill for quite some time and died in the spring. Barbara Melville, Kenneth's sister, died in the autumn. John flew to Britain in time to join the Melville family for the funeral.

There is a photo on the next page of John with Barbara's daughter Trish and granddaughter Jessica at a family gathering after the funeral. The other photos are just a few of the happier times we had this year!

 Frances is still the LWV web-weaver and spends much time on the LWV web page, Bulletin and other such items.
